ToeFX Onychomycosis Treatment

show off your toenails

HOW TO ORDER ToeFX AND SAVE \$500.00+

As each pack of 10 pens is for ONE patient, our suggested intro offer is 5 Packs. This will save you an extra 15% compared to ordering individual packs.

Including the pair of Lights, you will now have everything you need to begin effectively treating your patients fungal nails with ToeFX. You will also be ready to go with the next suitable patient which brings in extra income and gives you a faster ROI.

1 pair of ClearToe LIGHTS + 5 packs of ClearToe Pens - **\$4464.90**

BONUS OFFER! FREE ACCESS TO THE ToeFX UNIVERSITY PORTAL.

Includes a training & certification module and consultation with the experts who invented ToeFX. This valuable information will assist you as you begin incorporating ToeFX into your practice.

SAVE 15% ON
5+ PACKS of 10

SAVE 10% ON LIGHTS

ClearToe PENS \$234.00 per pack of 10

Each pack of 10 covers a complete 10 Session treatment program for ONE patient.

Discount Cost for 5 packs **\$198.90** per pack

If you don't want to take up the above 5 pack discount offer, simply start with as many packs as you need. You pay full price per pack but still get the Lights at the Intro 10% discount price. All prices are Ex GST.

ClearToe LIGHTS \$3470.40 per pair

A pair of ClearToe Therapy Lights treats both feet and all toes at once for the most effective results! Also prevents cross contamination & reinfection.

OUR INTRO OFFER IS AVAILABLE FOR ORDERS PLACED BY 30th JUNE

WHY SPEND 5 TO 10 TIMES AS MUCH ON A LASER?

ToeFX integrates with your standard clinical procedures to treat fungal nails safely and effectively without any patient discomfort. There are no other parts or materials required. You also avoid the complications, setup costs and regulatory requirements which must be complied with in order to operate a laser in your clinic.
